**Correspondence preference**

We will use email, as it’s the most cost effective means, to inform / alert you of local issues that are of concern to the community or activities that we believe you may be interested in. If you don’t have access to an email address, we suggest that you either ask a neighbour, family member or friend to join the e-Mailing list and relay the message on to you.

Please let us know if you have anything you’d like to help with in regards to the Birkenhead Resident’s Association. We could always use help in various fields, from the basic of getting the information out, to help analysing proposed district plans and doing research into background of the district plans and submissions. Please attach a separate sheet if you need more room.
